*Delivers unique education to individuals*

Dear Parents and Carers

## **Change to Start Date of 2020-21 Autumn Term**

As previously advised, we are planning to re-open the school in August. Government guidelines for local authorities recommended opening schools on 11th August, which would be two weeks earlier than our planned start date. After considerable thought, staff have taken the decision that we will re-open Dunedin a week earlier than our original planned date.

We are therefore now planning for re-opening the school on **Wednesday 19th August**.

As with other schools, the additional days of holiday we are losing over the summer as a result of opening earlier than planned will need to be redistributed to other times throughout the school year. We will let you know as soon as possible when these dates have been decided.

## **Preparation for Re-opening**

We are looking forward to having as many pupils in school as possible in the new term, whilst adhering strictly to the health and safety guidance issued by the Scottish Government. As soon as we have more information on how this will be managed, we will let you and the pupils know. The summer term finishes on Wednesday 24th June as planned and we will be in touch before this time to give you further guidance.

In the meantime, if you would like more information, then please get in touch with your child's tutor or email school [staff@dunedin.edin.sch.uk](mailto:staff@dunedin.edin.sch.uk) or phone on the mobile number below.
