Delivers unique education to individuals

Dunedin School Update 24 February 2022

Dear Parents and Carers

The Scottish Government has revised their guidance on face coverings and we will be speaking to the pupils today to advise them of the following changes beginning 28 February:

- Pupils and staff are no longer required to wear face coverings in classrooms
- However, if a member of staff needs to be within 2 metres of a pupil, then the staff member may continue to wear a face covering in the classroom
- Any pupil or member of staff who wishes to still wear a face covering in the classroom will be fully supported in doing so
- Face coverings will still be required to be worn by all pupils and staff in indoor communal areas

Please get in touch if you have any questions.

Kind regards

Staff at Dunedin School
